This year, Bob will retire after serving as Mayor of the City of Brentwood for the last fourteen years—longer than any other Mayor in Brentwood’s history.

Bob Taylor was first elected to the Brentwood City Council in 2004 and served as a Councilmember for two years until he was elected Mayor in 2006. As Mayor, Bob has shown his unwavering commitment to our community and is well known for his vibrant personality and dedication to the success of the City of Brentwood and its residents. Bob has also been instrumental in ensuring the safety of the community-at-large through his service on transportation committees such as the Highway 4 Bypass Authority. In addition to this and other committees, he serves on numerous boards and commissions, making sure to never miss an opportunity that could improve the quality of life for his constituents.

Prior to becoming Mayor, Bob served twelve years on the Liberty Union High School District Board of Trustees. He is an active community member, participating in Brentwood Chamber of Commerce events, among many other community activities. Bob has made invaluable contributions to our community, and his leadership has made a positive impact on countless individuals and families.

Bob is also a veteran who has served our great nation as a member of the United States Navy during the Vietnam era. He currently acts as the Brentwood City Council’s liaison to various veterans’ groups, demonstrating his steadfast commitment to his fellow servicemembers and our nation’s veterans. I ask my colleagues to join me in honoring and recognizing Robert “Bob” Taylor. His distinguished public service is unparalleled and is as an example to us all.

MARKING INTERNATIONAL DAY
AGAINST HOMOPHOBIA,
BIPHOBIA, AND TRANSPHOBIA

HON. DAVID N. CICILLINE

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. CICILLINE. Madam Speaker, I rise today to show my united and unwavering support of LGBTQI+ people across the globe and their right to live their lives openly, free from discrimination, harassment, and violence.

Yesterday, May 17th, we marked the International Day Against Homophobia, Biphobia and Transphobia. I had hoped that by 2022, we would no longer need this day to draw attention to the violence and discrimination experienced by LGBTQI+ people around the world.

In too many countries, it is still a crime to be LGBTQI+. At least 68 countries have laws that criminalize same-sex sexual relations between consenting adults. In six of those countries, people can be sentenced to death for same-sex sexual relations. And at least nine countries have laws criminalizing forms of gender expression that target the transgender community.

In countries like Russia, LGBTQI+ people are targeted for discrimination. And under

Putin’s regime, they also have seen their ability to organize and fight for their rights curtailed.

In countries like Chechnya, LGBTQI+ people are subjected to state-sanctioned torture and violence, including murder.

The United States has a moral obligation to address these human rights abuses against LGBTQI+ people. That is why the House passed—with a bipartisan vote—the Global Respect Act, legislation I authored to deny visas to those who commit human rights abuses against LGBTQI+ people abroad. This legislation will also codify reporting requirements on these issues in the State Department’s annual Human Rights Report. The Senate now needs to send it to the President’s desk.

We need to equip our government with the tools it needs to help secure LGBTQI+ equality and protect the rights of LGBTQI+ people here at home and abroad.

We are fortunate to have strong allies in the White House in President Biden and Vice President Harris. Their administration has stated unequivocally that it is the policy of the United States to “pursue an end to violence and discrimination on the basis of sexual orientation, gender identity or expression, or sex characteristics.” They have done important work to advance those goals and have also taken meaningful action to ensure we are leading by example here at home as well.

In his State of the Union Address, President Biden specifically asked us, this Congress, to send him the Equality Act for his signature.

The Equality Act will, finally, explicitly prohibit LGBTQI+ discrimination in key areas of our everyday lives—including employment, housing, public accommodations,” education, federally-funded programs, credit, and jury selection.

The House passed this bill, and I am now asking the Senate to do the same.

As we espouse values of equality abroad, we need to look inwardly too.

In too many states, LGBTQI+ people, especially trans youth, have been under attack. More than a dozen anti-LGBTQI+ bills have been signed into law in the states this year. These laws are discriminatory, and cruel, and are doing real harm to the LGBTQI+ community.

The Trevor Project recently published a study which found that in the past year 45 percent of LGBTQ+ children seriously considered attempting suicide.

Stop for a minute and take that in. Almost one out of every two LGBTQ+ children seriously thought about taking their own life. If that statistic was the same for your child, would you act?

The Trevor Project also found that 1 in 5 transgender and nonbinary children attempted suicide and 60 percent of LGBTQ+ youth who wanted mental health care couldn’t access it.

We must do better. And for us in Congress, that means strengthening protections for the LGBTQI+ community here at home and abroad. It means taking this meaningful action

to show these children, and all LGBTQI+ people that they are not alone.

And so I would like to thank the LGBTQI+ activists across the world.

Their work is so important. We know how difficult it can be to fight for LGBTQI+ equality, especially in countries where it is a crime to simply be yourself. The work that they are doing will have a positive impact for generations. They are on the right side of history, and we will use every lever of the federal government to support them and the fight for global equality.

COMMEMORATING NATIONAL
POLICE WEEK

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Ms. JACKSON LEE. Madam Speaker, as a member of the Law Enforcement Caucus and the Chairwoman of the Judiciary Subcommittee on Crime, Terrorism, Homeland Security, and Investigations, I rise to commemorate Police Week, which runs from May 16 through May 22.

It is essential that we honor our fallen heroes each year who gave their lives in service to their communities.

The National Law Enforcement Officers Memorial is the nation's monument to law enforcement officers who have died in the line of duty.

Dedicated on October 15, 1991, the Memorial honors federal, state, and local law enforcement officers who have made the ultimate sacrifice for the safety and protection of our nation and its people.

Nearly 23,000 officers have been killed in the line of duty throughout U.S. history, dating back to the first known death in 1791.

According to the National Law Enforcement Officers Memorial Fund, 458 federal, state, tribal, and local law enforcement officers died in the line-of-duty in 2021.

In 2021, Texas experienced the largest number of law enforcement officer fatalities of all U.S. states with 84 line-of-duty deaths.

Today there are more than 900,000 law enforcement personnel serving the people of our country, the highest amount ever.

About 12 percent of them are female.

These brave men and women risk their lives to keep the peace and keep us safe but they are too often taken by the violence they are working to prevent.

Madam Speaker, I am proud to represent the people of the 18th Congressional District of Texas in paying tribute to the 220 fallen heroes who will join the gallant men and women who previously gave the last full measure of devotion to the communities they took an oath to protect and serve.

Among the fallen Texan law enforcement officers are those who served the people of Houston and Harris County, including:

Richard Anthony Sepolio Sr., Harris County, Texas, District Attorney's Office, End of Watch: 1/13/2021.

Kareem Anthony Atkins, Harris County, Texas, Constable's Office, Precinct 4, End of Watch: 10/16/2021.

Tomas Infante Sr., Harris County, Texas, Constable's Office, Precinct 6, End of Watch: 8/22/2021.

Joshua James Sieman, Harris County, Texas, Sheriff's Office, End of Watch: 10/21/2021.

Shaun Christopher Waters, Harris County, Texas, Sheriff's Office, End of Watch: 8/1/2021.

Alexander David Gwosdz, Harris County, Texas, Sheriff's Office, End of Watch: 4/22/2021.

Robert Perez, Harris County, Texas, Sheriff's Office, End of Watch: 2/2/2021.

William John Jeffrey, Houston, Texas, Police Department, End of Watch: 9/20/2021.

John David Wilbanks, Houston, Texas, Police Department, End of Watch: 10/13/2021.

Madam Speaker, I rise in memory of the 220 officers whose names will be added to the National Peace Officers Memorial Wall of Honor.

WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our Nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Patricia Peréz of Elysian Valley, a unique neighborhood of Los Angeles, California.

Born and raised in Los Angeles, with long-time family roots in the city, Patricia Peréz's passion and life has been about art. In her youth, she learned about pottery on the Laguna Pueblo reservation in New Mexico, and while in high school, she had the opportunity to participate in art classes at a renowned Frank Lloyd Wright home in Los Angeles.

In the early 1970's, Patricia taught children at Self Help Graphics & Art, an art studio at the intersection of arts practice and social justice dedicated to fostering the creation and advancement of art works by Chicana/o and Latinx artists, and a catalyst for cultural traditions, preservation, and restoration through the arts. Ms. Peréz attended Los Angeles City College, the Pacific Institute of Commercial Art, and the Otis Art Institute of Los Angeles County, now known as the Otis College of Art and Design, from which she graduated in 1976 with a Bachelor of Arts in Painting and a minor in sculpture, Patricia's art training also included studying art history abroad in France and Spain. In addition to creating her own art, she also worked with Milton Williams Catering and high-end interior designers.

Patricia is a multi-medium artist, working in acrylics, ink washes, pencils, crayons, fabrics, recycled materials, and earth. She has been a long-time volunteer judge for the 28th Congressional District Art Competition and is an active contributor in her distinctive Los Angeles community known as Elysian Valley or "Frogtown." Ms. Peréz is Vice President of the Elysian Valley Arts Collective and opens up her home as a gallery during the annual Frogtown Artwalk. Teaching art classes in her community brings her great joy, as, in her

words, she has lived her life through the arts and enjoys sharing it with others.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Patricia Peréz.

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

The students defeated over 40 state champion high school debate teams to capture the title on May 7, 2022 in Kalamazoo, Michigan. These students worked for months in preparation for this challenging competition. Mock Trial provides students with the opportunity to improve critical thinking and public speaking skills, to gain exposure to the legal system, and to compete at the highest level. Over the years, Montgomery County High School has won 14 state titles.

Special congratulations are in order for Bryce Charles, who was named a National Top-10 Witness, and Ollie Fegenbush, a National Top 10 Attorney.

Thank you to coaches Ryan Allison, Jamie Allison, and Elizabeth Davis for their leadership and for the opportunity they provide for the students. Thank you also to the parents and the entire Montgomery County community for their support and encouragement. Winning against much larger schools from across this Nation brings a great deal of pride and hope to all in the community.

As a former debate team member myself, I appreciate the dedication and hard work of these students. They have learned skills that will serve them well as adults and have made memories that will last a lifetime. I commend them for their wonderful accomplishment as National Champions.

HONORING BUILDING SAFETY
MONTH

HON. DONALD S. BEYER, JR.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. BEYER. Madam Speaker, I rise today to mark the beginning of Building Safety Month and to recognize the more than 64,000 members of the International Code Council (ICC) who have dedicated their livelihoods to ensuring public safety throughout the built environment—whether our homes, offices, schools, houses of worship, et cetera.

Building Safety Month is sponsored by the International Code Council and its partners to remind the public about the professionals who ensure buildings are safe, resilient, efficient, and livable. The Code Council brings together local, state, and federal as well as stakeholders from the private sector to develop model codes and standards that protect the occupants of the buildings in which we live, work, and play. Those standards are then implemented year-round by building safety officials, the fire service, architects, engineers, plumbers, and laborers to ensure the safe construction and maintenance of buildings.

This year's Building Safety Month theme is "Building Codes in Action" which encourages all of us to raise awareness of the importance of safe and resilient construction, fire prevention, sanitation, disaster mitigation, and innovative technologies in the construction industry.

Last month, the Federal Emergency Management Agency (FEMA) released its Building Codes Strategy, which exemplifies this year's theme by recognizing that community adoption and enforcement of hazard-resistant building codes and standards "lays the foundation for increased resilience" and creates a "culture of preparedness by making mitigation a standard practice."

In late 2020 FEMA released a study, titled "Building Codes Saves", which found that implementing modern building codes could save \$600 billion in disaster spending by 2060. FEMA further confirmed a prior report by the National Institute of Building Sciences that found that adopting modern codes provides \$11 in mitigation savings for every \$1 invested.

With natural disasters increasing in frequency and severity, building codes and standards include important safeguards to pro-

tect the public from snow and ice storms, hurricanes, and earthquakes. We thank those who implement and enforce building codes for protecting lives, property, businesses, and communities.

Development, adoption, and implementation of up-to-date codes and standards has enabled Virginia through its 2018 Uniform State-wide Building Code to ensure its codes assure building safety and waste the least energy in the Southeastern United States.

Madam Speaker, please join me in thanking International Code Council Board President Cindy Davis—a constituent I represent, as well as ICC's Chief Executive Officer Dominic Sims, the International Code Council leadership, and ICC's Members and staff as they recognize Building Safety Month.

HONORING THANG DO

HON. ZOE LOFGREN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Ms. LOFGREN. Madam Speaker, I rise today to express my sincere condolences to the family of Thang Do, who passed away on May 8, 2022. He has been an important part of our community and will be greatly missed.

Thang Do fled Vietnam in 1975, as a refugee, and supported himself through college, where he earned his degree in architecture from Cal Poly San Luis Obispo. Recruited after graduation by Aedis Architects, a San Jose-based architectural firm, Thang Do quickly advanced within the company and has led it for the past 30 years. His advocacy for sustainable design practices and focus on urban design issues, led him to be designated an American Institute of Architects Fellow, an honor held by less than four percent of their members. As lead architect of the recently-completed Vietnamese American Service Center in San Jose, he received the Community Impact Award from the Silicon Valley Business Journal.

A notable steward of revitalizing downtown San Jose and the SoFa district, Thang Do dedicated his time as a Chair of the San Jose Planning Commission, a member of the San Jose Architectural Review Committee, and a board member of the San Francisco Bay Area Planning and Urban Research Association. He also volunteered as a board member to the San Jose Museum of Art and the Housing Trust of Silicon Valley.

Thang Do was heavily involved as a community activist who helped uplift the Vietnamese community and culture. With his advocacy work and bilingual skills, he supported nationwide policy education by helping found the Progressive Vietnamese American Organization (PIVOT). The organization has been recognized nationally for helping increase civic engagement and fighting misinformation to Vietnamese residents.

I have been honored to see his architectural work firsthand throughout San Jose and am thankful for his commitment and service to the community. Thang Do will be greatly missed. Please join me in honoring him and sharing my deep condolences with his family and our community that mourns his loss.

She has volunteered as a mentor to many young women who struggle to find their confidence and helps them bridge the gap between ability and confidence. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Standolyn Robertson of Los Angeles, California.

Ms. Robertson attended the University of Massachusetts Lowell, where she earned a Bachelor of Arts in Education, and studied Interior Design Technology at Seminole State College of Florida. She returned to Massachusetts following years of entrepreneurship and employment in Florida and started her organizing career.

A professional organizer and coach, Standolyn founded an organizing service in 2000 called Things In Place, which is now based in Los Angeles where she currently lives. By merging warmth and wisdom with practical concepts and tactics, she helps individuals take back control of their values, lives, and happiness.

Since 2012, when Standolyn relocated from Boston to Los Angeles with her husband, Jamie, she has been charmed by Los Feliz, has grown to value and love its one-of-a-kind character, and has embraced community involvement. She has served in several roles within the Los Feliz Improvement Association and presently serves as a Greek Theatre Advisory Committee board member.

Over the past ten years, Ms. Robertson has given her time, advocacy skills, or expertise as a champion of a wide array of Los Angeles based community initiatives such as AIDS/LifeCycle, Homeboy Industries, and African Americans for LA Opera. Further, Standolyn is involved in local efforts to improve the LA River and Griffith Park and assists individuals experiencing homelessness.

Standolyn is the author of "Managing Client Expectations: A Guide for Organizing Professionals". She enjoys quilting, painting, attending storytelling performances, as well as hiking and camping with her husband. She is the proud mother of two adult sons who reside in Boulder and Seattle.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Standolyn Robertson.

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mrs. DINGELL. Madam Speaker, I rise today to recognize Emergency Management Coordinator Bradley Smith of the Dearborn Fire Department on the occasion of his retirement. His honorable twenty-five years of service to our community is worthy of commendation.

A graduate of Annapolis High School in Dearborn Heights and the Eastern Michigan University School of Staff and Command, Coordinator Smith began his career at the Dearborn Fire Department in July 1997, beginning as a Firefighter 1. In July 2003, he was promoted to Firefighter 2 and then to the role of Fire Engineer in 2005. Due to his excellence in service, he was named Emergency Management Coordinator in 2008. He is also the recipient of several awards, including two Fire Chief Life Saving Awards, the Meritorious Service Award, and numerous Certificates of Special Recognition.

Coordinator Smith was responsible for identifying and analyzing potential hazards that the City of Dearborn could face, including man-made and natural disasters. He has ensured that the city has emergency plans and safety procedures in place, helping prepare residents for when disaster strikes. Beyond that, he has worked to incorporate special concerns of those with disabilities and differing religious beliefs into those plans. Known for his leadership, kindness, and willingness to help those in need, Coordinator Smith is a friend and mentor to many. Despite all the work he has done to keep our community safe, he still has time to teach karate at PKSA in Flat Rock. An active member of his church, he resides in Carleton, Michigan with his wife Kelly and their children.

Madam Speaker, I ask my colleagues to join me in honoring Emergency Management Coordinator Bradley Smith for a career of exemplary service to the Dearborn Fire Department. I join with Coordinator Smith's family, friends, and colleagues in extending my gratitude to him for his honorable service in protecting our community and thank him for his role in serving the people of the City of Dearborn for the past twenty-five years. RETIREMENT OF BOB TACKETT

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. BLUMENAUER. Madam Speaker, Bob Tackett has been a cornerstone of Oregon's

labor movement for the past 12 years, heading up the Northwest Oregon Labor Council. This is an important forum for union members to come together, plan, and mobilize important support.

Bob has helped keep those communications on an even keel. He provided a welcoming forum for friends of labor to connect with the varied and diverse membership of the council. I often saw Bob on the frontlines of action; on a picket line, for instance, to rally and encourage the troops.

Throughout his tenure, Bob has continued to be a positive and productive force. He is part of the glue that keeps our local labor movement together.

Bob will be greatly missed as he transitions into the next stage of his career, hopefully at a somewhat more leisurely pace. We deeply appreciate his leadership, his friendship, and being such a decent human being.

RECOGNIZING MR. ROBERT STAIB
OF TEXAS' THIRD CONGRES-
SIONAL DISTRICT ACADEMY SE-
LECTION BOARD

HON. VAN TAYLOR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. TAYLOR. Madam Speaker, today, it is my privilege to honor those members of Texas' Third Congressional District's Academy Selection Board whose longtime service to Texas and the U.S. Service Academies is to be commended.

These individuals exemplify the time honored qualities of patriotism, service before self, and bold leadership which in turn have enabled them to assist in seeking out our next generation of servant leaders qualified to lead our nation as military officers in training. Not only have these patriots worn the uniform in defense of America, following their time in service they have chosen to enrich their communities, most notably through their service on this Board. One such patriot is Mr. Robert "Bob" Staib.

A 1962 graduate of the United States Air Force Academy, Robert Staib, earned a Bachelor of Science in Engineering and was a top student at the Academy. During his time at USAFA, Bob was a commander of one of the 24 cadet squadrons on campus, served on the Honor Committee, and trained on the new supersonic T-38 trainer.

His military career would carry him and his family to multiple domestic and international assignments. Impressively, Staib undertook 329 missions as a fighter pilot in Vietnam, earning him numerous awards for bravery and valor.

Upon his return to civilian life, Bob worked as a sales engineer in the Midwest. Along the way he earned an MBA in Marketing and Finance from Case Western Reserve prior to relocating to Dallas in 1977 with Mitsubishi Aircraft. Bob held management positions with several companies including Cessna and Raytheon, and later owned a small general management consulting firm. Prior to his retirement, Bob was a Senior Vice President of NetJets.

Following his move to Dallas, Bob found new ways to pour into his community including

his work as a founding member of the Prince of Peace Catholic Community in Plano. Following a four and half year academic program, Bob was ordained a Deacon of the Roman Catholic Diocese of Dallas.

Bob and his wife, Marianne, were married for 40 years prior to her return to the Lord. Together they were blessed with three daughters and a son. Today that blessing has expanded to 10 grandchildren and 6 great grandchildren.

As the longest serving member on the Third District Board, Bob was first appointed by Congressman Jim Collins in 1980. Under Mr. Staib's leadership, the Board developed the same selection process that is in use today and which has attributed to the success of the program. Bob served during the entire 28-year career of Congressman Sam Johnson, prior to assuming his current position on our board. A man of loyalty, principle, and steadfast commitment, Bob Staib has made an indelible mark on this program, the countless students he has worked to nominate, and on those with whom he has served over the years.

SIONAL DISTRICT WOMAN OF
THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our Nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Dr. Ramella Markarian of Glendale, California.

Dr. Ramella Markarian is a skilled healthcare professional who has served as Vice President of Business Development at Adventist Health Glendale since 2012. During her tenure, she has played a significant role in leading the physician relations and recruitment efforts, advancing Adventist Health Glendale's strategic growth and development, and overseeing various clinical and non-clinical departments. Since 2015, Dr. Markarian has helped organize and has participated in Adventist Health Glendale's annual medical missions to Armenia, bringing dozens of physicians, clinicians, and surgeons together to provide surgeries and medical consults to many Armenians living in Armenia and Artsakh.

Dr. Markarian's extraordinary efforts extend beyond her work at Adventist Health Glendale. In 2008, with the support of the Armenian American Medical Society's Ladies Auxiliary, Ramella founded Glendale Healthy Woman, a program that provides free mammograms to uninsured and underinsured women in the community. In 2010, several community leaders, including Ramella, founded the annual Glendale Health Festival which has been serving the healthcare needs of many underinsured and uninsured people in Glendale and neighboring communities for over a decade.

Ramella also served on the City of Glendale's Community Development Block Grant Advisory Committee for eight years where she, along with other committee members, de-

termined funding priorities. She also served as a member of the Los Angeles County Community Prevention and Population Health Task Force, providing her expertise and knowledge in strategic direction for community health planning in Los Angeles County. COMMEMORATING THE ANTON
ART CENTER

HON. ANDY LEVIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. LEVIN of Michigan. Madam Speaker, I rise today to commemorate the Anton Art Center of Mount Clemens, Michigan on its historic building being designated as a place worthy of preservation in the National Register of Historic Places. The building has served as a cherished and integrative resource in the Mount Clemens community. When the Art Center was first established in the historic Carnegie Library Building, three Mount Clemens Art Association members—Bea Wright, Gretchen Thompson, and Phyllis Wickens—set out to preserve the then Mount Clemens Public Library and save the historic building from demolition.

In 1904, the Mount Clemens Library opened its doors to the public after a year of construction. This building is unique to the history of Mount Clemens, as it was one of approximately 2,500 libraries funded by Andrew Carnegie throughout the world. The library drew hundreds of visitors coming to explore Mount Clemens' famous mineral baths during the early 1900s. In 1963, the library was converted to include three galleries, an art studio, a meeting area, a pottery studio, a kiln room, and offices. In 1969, the library was moved to a new building and the original building changed its primary role to a non-profit known as The Art Center.

It is incredible to see how the Anton Art Center has created engaging programs for all ages centered around empowering those involved in the arts. When local businessman Gebran Anton led a fundraising effort to expand the building in 2006, the Art Center was able to add a gift shop to support the work of local artists, increase gallery space, and increase classroom space. As a cherished resource to Macomb County it is clear the mission of the Anton Art Center is alive and well today.

In 2022, the Anton Art Center provides an open and welcoming atmosphere that brings

together a wide audience, instills support for the arts, and is a focal point for arts programming and works toward inclusion, diversity, equity, and access in all they do. In Macomb County and throughout Southeastern Michigan, the Anton Art Center continues to be a strong leader in advocating for local arts and artists. It is essential that we recognize the Anton Art Center for its long history and lasting contributions. The Anton Art Center also holds a deep personal significance to me, as my family and I have attended a number of programs there over the years.

On behalf of Michigan's 9th District, it is my honor to recognize the work of the Anton Art Center's leaders, workers, and community members for their dedication and perseverance in promoting this historic building. Their work will ensure that future generations are able to visit the building and reflect on the rich history that makes Mount Clemens the wonderful city it is today.

CELEBRATING THE RETIREMENT

'CASEY' CRABILL

HON. JOHN KATKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. KATKO. Madam Speaker, I rise today to honor the career of President Kathleen 'Casey' Crabill, who will retire following the 2022 academic year after 9 years with Onondaga Community College and 45 years in higher education. A dedicated educator, throughout her career President Crabill demonstrated a profound commitment to scholarship.

Originally from East Greenbush, New York, President Crabill graduated with a Bachelor's of Arts in English from Skidmore College. Later, she earned a Master's of Science in English as a Second Language and a Doctorate of Education in Curriculum and Instruction from the State University of New York at Albany.

After finishing school, President Crabill began her career as an English teacher in 1977. While teaching, she held several top posts at colleges across the country, including serving as division chair for Academic Development and Learning Support at Dundalk Community College in Dundalk, Maryland, and as acting president and dean of Learning and Student Development at Quinebaug Valley Community College in Danielson, Connecticut. Later she served as president of the College of the Redwoods in Eureka, California, and as president of Raritan Valley Community College in North Branch, New Jersey.

In 2013, President Crabill took the reins at Onondaga Community College, becoming its eighth president. During her tenure, President Crabill reconfigured Onondaga Community College's degree and certificate programs into eight schools based on academic focus. This move greatly enhanced student collaboration. President Crabill also launched programs to assist underserved students, including the 'Box of Books' program, which provides students with books at a low, flat fee, and the 'OCC Advantage' program, which allows students from six local school districts to attend Onondaga Community College tuition-free. Im-

pressively, President Crabill also successfully shepherded the college through the unprecedented COVID-19 pandemic by overseeing the transition to virtual classes and creating new degree and certificate programs that responded to evolving industry demands.

Over the years, I have also had the distinct pleasure of partnering with President Crabill. Together, we have worked to make higher education more accessible and affordable, brought greater awareness to cybersecurity threats, and improved the lives of local students.

Madam Speaker, I ask that my colleagues in the House join me in recognizing the career of President Kathleen 'Casey' Crabill. I wish President Crabill the best in her retirement.

2022 NORTHERN MARIANA ISLANDS ASIAN AND PACIFIC ISLANDER HERITAGE MONTH ESSAY CONTEST WINNERS

**HON. GREGORIO KILILI CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS
IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. SABLAN. Madam Speaker, Aleia Hofschneider Santos, a senior at Mt. Carmel School, Mikhaela Paige Reyes Mendoza, an eighth grader also at Mt. Carmel School, are the winners of this year's Asian and Pacific Islander Heritage Month Essay Contest. I began this contest for middle school and high school students two years ago to give students in the Northern Mariana Islands, my district, the opportunity to showcase their writing skills and reflect on their unique experiences as American Asian and Pacific Islanders. The contest also is a way to celebrate Asian Pacific American Heritage Month.

This year's essay prompt encouraged students to write about the issues facing the Asian and Pacific Islander community that are particularly important to them and to think about how they can inspire their community to action.

I commend the 22 students from schools throughout the Northern Marianas who participated in this year's essay contest. A volunteer panel of judges reviewed the essays and chose Ms. Mendoza and Ms. Santos as this year's winners. In recognition of their achievement, I include in the RECORD the essays they wrote, where they will remain available to read in perpetuity.

MIKHAELA PAIGE REYES MENDOZA, MIDDLE SCHOOL WINNER, MOUNT CARMEL SCHOOL, 8TH GRADE: THE PROBLEM WITH “LINGUISTIC RACISM”

A problem that Asian Americans and Pacific Islanders (AAPIs) face is linguistic racism. It is a big problem because English might not be their first language. Therefore, they would not get treated the same way as English native speakers.

English is one of the main global languages spoken in many places. The English Language is a dominant language in a lot of places such as in business, work, science, research, school, government, and politics. The language is constantly evolving and adapting to new ways of saying different words and phrases. It's transforming in different ways because there are people who speak the language that use English in diverse ways.

However, there are still people that struggle with English. AAPIs struggle with English because it may not be their first language. They are considered non-native English speakers. Nonnative English speakers have this mindset that English is a higher language than their mother language. Which means that those who speak English, speak differently from what is considered “the standard way of speaking.” These speakers can find themselves being judged and even penalized for the way their English sounds.

In many countries, there are forms of English that can bring fewer benefits to a person. One example is African American English in the United States, the language is often misunderstood and discriminated against. On an international level, certain types of speakers face judgments based on any perceptions of their nationality, rather than their communication skills with people from that area. When English is spoken by Asians, Africans, or Middle Easterners, they are viewed as challenging and unpleasant to listen to as opposed to some Europeans such as French, Germans, and Italians when they speak English.

Linguistic racism can lead to the deprivation of education, employment, and health. AAPI with certain accents get openly harassed or excluded from specific opportunities in the workforce. For example, a Puerto Rican customer service worker was told by a customer that “his stupid accent makes me sick.” An Arabic bus driver in London had a manager who kept him out of many conference calls.

Of course, not every person is intentionally a linguistic racist. People who think that they are being inclusive are not aware of their judgments because of their ingrained biases. Yet, whatever the cause of these incidents, people are still affected. With these kinds of ongoing and unrecognized situations, workers will be side-lined and excluded.

In what way can we stop linguistic racism and have a more functional way of using the language to benefit native and nonnative speakers? The best way to combat linguistic racism is to continue to stay in school, learn about different cultures, and to be a role model to others. We all speak different languages and it is important to embrace the diversity that we have in our islands. We can also be digitally responsible and respectful in speaking to others online.

Aleia Hofschneider Santos, High School Winner, Mount Carmel School, 12th Grade: Color

Peach is the name of the crayon shade that my classmates always used in their portraits when I was in kindergarten at Chinook Elementary in Washington from 2008–2009. I was

told that Tinian tanned skin was too dark to be using Peach, and that I should try using the dark brown crayon, called Chocolate. Peach was the color of the skin on the man I remember seeing through the windows of our first car in the states, as he screamed to my parents to “Go back to wherever the f*** you came from”. Peach was the skin tone of all the cops who came, as they patted myself and my family down, searching for the weapon that the first Peach man had lied about us having over the phone.

The choice that my parents made in raising our family in the states is better described as a sacrifice, especially considering how we continued to be discriminated against beyond my Kindergarten days. Years later, at one of my older brother's football games, a group of Peach toned boys told me to “Hop back over the border fence”. After I told my Mom about it, she held my hand tightly as we wiped our tears on the way back to the crowd filled bleachers. When my older sister came to pick me up for an appointment during a school day in fourth grade, the Peach colored front desk secretary told her “People like you don't attend a school like this”. I remember how it reminded me of how an after-school ice cream treat from my Dad turned into Peach colored Dairy Queen workers calling us “stupid Mexicans” through the drive through window.

There are still many memories I cherish despite the challenges we faced during our stay in the U.S., but I will never forget the events of that fateful fall day, nor will my Mom or Dad. I will never forget the look on my parents' faces as they were told to exit the vehicle, nor will I forget how scared I was when I saw them pointing guns at all of our faces. All of the fear and confusion from that day that we still feel years later is owed to one thing and one thing only: hatred. It was pure, unadulterated hatred that the Peach colored man felt toward not my family, but the color of our skin that caused it to happen. Yet, the worst part about all of this is things like this continue to happen around the world—hate crimes and other acts of discrimination are committed against countless other Asian American and Pacific Islander families in countless other ways every single day. Yet, every time I reflect on the question of how we can combat the hate many AAPis face overseas, another question persists in my head: How can we stop the spread of hate out there if we struggle to combat it here, in our very own home islands?

After moving back to the CNMI in seventh grade, I quickly gained an understanding of the stereotypes that plague our own community. With each race came a heinous generalization: all Chamorros were lazy, all Carolinians were uneducated, all Filipinos were judgmental, all Koreans were terrible drivers, and the list, unfortunately, goes on. After hearing my classmate casually describe a person's eyes as “chinky”, I realized that while prejudice may be a catalyst for hate—the root of prejudice itself is ignorance. The ordeal led me to wonder how we, as AAPis, are expected to remain silent in the face of deafening hatred.

While I may never be able to answer my own question, I can answer the question posed by this year's prompt: I hope to inspire our community to take action against racial discrimination and acts of hate by taking three simple steps. First, I encourage all victims and witnesses of AAPI discrimination to not only speak out about what they've experienced, but against prejudice of any kind. In this pursuit, I implore others to speak

loudly about the deeply damaging and disheartening effects of racial discrimination when they feel that they are ready to. Most importantly, I ask that we all try to speak proudly of one another and what we have accomplished despite all the obstacles. Imagining the power that our community could hold in taking those steps fills me with a deep sense of faith in a better future for all of our families—no matter the color of our skin.

TRIBUTE TO JENNIE COOK—28TH CONGRESSIONAL DISTRICT WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our Nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Jennie Cook of Silver Lake, a unique neighborhood of Los Angeles, California.

Ms. Cook's passion for cooking and dedication to changing the way America eats manifests itself in her business as the owner and executive chef of Jennie Cook's Catering and Plant Based Parties, which she has operated for nearly four decades. Prior to that, she was the owner of Cook's Double Dutch Restaurant, where she created the Sustainable Supper Club, which offered a quarterly vegan family style meal. Jennie is also a columnist and in 2013 published her cookbook, “Who Wants Seconds?”

She also established the 24th Street Garden School Foundation, which provides a cooking class for third grade students in the garden, and founded The Mystery Lunch Box Challenge, a cooking competition class at Crenshaw and Jefferson High Schools. For several years, Jennie served as Chairwoman of the Board of RootDownLA, which educates children on how to grow, cook, share, and sell vegetables. Ms. Cook is a founding member of Food for Lunch!, which lobbied for healthier foods in the Los Angeles Unified School District.

Other volunteer activities include fundraising for the Silverlake Conservatory of Music's scholarship fund, assisting in the creation of the Los Angeles Chapter of Moms Demand Action, and organizing a monthly mixer in her neighborhood to celebrate the community. In addition, when her children were younger, she served on the boards of the Rose Scharlin Co-operative Nursery School, the Hilltop Nursery School, and the Sequoyah School.

Jennie and her husband of 45 years, John Cook, live in Silver Lake, and have three grown children.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Jennie Cook.

RECOGNIZING MR. MICHAEL SWEENEY OF TEXAS' THIRD CONGRESSIONAL DISTRICT ACADEMY SELECTION BOARD

HON. VAN TAYLOR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. TAYLOR. Madam Speaker, today, it is my privilege to honor those members of Texas' Third Congressional District's Academy Selection Board whose longtime service to Texas and the U.S. Service Academies is to be commended.

These individuals exemplify the time honored qualities of patriotism, service before self, and bold leadership which in turn have enabled them to assist in seeking out our next generation of servant leaders qualified to lead our nation as military officers in training. Not only have these patriots worn the uniform in defense of America, following their time in service they have chosen to enrich their communities, most notably through their service on this Board. One such patriot is Mr. Michael "Mike" Sweeney.

Mike Sweeney is a 1966 graduate of distinction with the United States Naval Academy (USNA). During his time at USNA, he was a member of the undefeated 1964 NCAA Championship Soccer Team and was selected as Commander of the Brigade of Midshipmen during his senior year.

Following graduation, Mike served five years as a Surface Warfare Officer in the U.S. Navy including service in the Vietnam War. Upon return to civilian life, he would join Ross Perot's Electronic Data Systems (EDS) as a trainee starting a new career in information technology. EDS would be a great place for Mike to have a career as a Navy graduate—a workplace complete with blue suits, white shirts, and good opportunities.

Sweeney worked at EDS as a systems engineer developing health care systems before moving into management, and progressively increasing in responsibility as he relocated to the company's corporate headquarters. Along the way, he pioneered the concept of remote software engineering centers and was responsible for managing seventy centers in twenty-nine countries. His teams developed new business systems for General Motors, including OnStar. Later, Mike overhauled the company's corporate technical training and worked on corporate strategy.

Notably, during the dot-com era, he served as President of the E-Solutions global delivery organization and was responsible for corporate technology strategy, thought leadership and R&D. Mike retired after 31 years of loyal service at EDS.

In retirement, Mike enjoys bike riding, fly fishing, and riding his Harley with his Naval Academy roommate. He and his wife, Peggy, have made their home in Prosper and are the proud parents to two grown children and four grandchildren.

With gratitude we thank Mike Sweeney for his over 28 years of service on the Third Congressional District's Service Academy Selection Board. While his presence as a valued member of this organization will be deeply missed, we are honored to salute him for his longtime and dedicated efforts in nominating countless young patriots to the Service Academies.

HONORING THE PATRIOTIC SERVICE OF CHAD ANDERSON

HON. PAT FALLON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. FALLON. Madam Speaker, I rise today to honor Chad Anderson for his patriotic service to the City of Celina, Texas. As a City Councilman in Place 6, Chad served the City of Celina for three terms. The City of Celina sits just North of Dallas and has been a focal point of growth in the North Texas region for several years. Since 2010 the population of Celina has tripled, out pacing any other North Texas city. As a Councilman, Chad managed this explosive growth and ensured that the City was ready to take on new community members and new businesses.

One of his key policy priorities was the development of Celina's infrastructure. New roads, bridges, proper drainage, and public safety structures all bear the mark of Chad's thoughtfulness as a City Councilman. During his time in office, he never forgot about the heroes among us—law enforcement, firefighters, EMS, and all frontline workers. He ensured that the City kept its law enforcement funding when many cities throughout the country sought to defund. When firefighters needed modernized facilities and funding, Chad was their No. 1 ally.

In his 19 years in Celina, Chad has become a pillar of his community and, though he is no longer a City Councilman, will continue to be a servant leader who seeks to lift up everyone in his City. The foundation for all his service is, without a doubt, his wife Michele, and their two children, CJ and Molly.

Outside of his official work, Chad became the proprietor of his own insurance company in 2010 which gave him personal experience and insight into small business development and growth. He has also championed the Celina Cajun Fest, Oktoberfest and coached youth sports.

I have requested the United States flag be flown over our Nation's Capitol to recognize Chad Anderson's patriotism and devotion to God, Family, and Country. Furthermore, Madam Speaker, I would like to personally commend Mr. Anderson for his service to the City of Celina as a Councilman and I wish him all the best in his future endeavors.

The garden included a sculpture depicting the aftermath of a drunk driving accident to encourage local residents not to get behind the wheel while impaired. He has also held many fundraisers that have benefited projects to get more infants vaccinated.

For his work, James has earned the Anton J. Kaiser Award, recognition from the New York District's Pediatric Lyme Disease Foundation, and an IBM Volunteers Gold Award Level for Volunteerism and Community Service.

CELEBRATING THE FIFTY-SEV-
ENTH ANNIVERSARY OF THE
HEAD START PROGRAM

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. HOYER. Madam Speaker, I rise to recognize the fifty-seventh anniversary of the Head Start program, which was founded on the idea that people of all backgrounds can lead productive lives and thus deserve the opportunities that education makes possible. Since its creation on May 18, 1965, Head Start has fostered the cognitive, social, physical, and emotional development of tens of millions of children from low-income families across America and has helped set them up for success before they begin their educational journeys in school.

When President Lyndon B. Johnson introduced Head Start as part of his 'War on Poverty,' he said that the program would go down in history as 'one of the most constructive, and one of the most sensible, and also one of the most exciting programs that this Nation has ever undertaken.' His words proved prescient, as even today, more than a million American pre-school children participate in Head Start each year. These students are not the only ones who benefit from the program. Early-education teachers gain insights from research conducted by Head Start administrators. Parents gain access to affordable child care and job training, allowing them to work to improve their families' well-being. By every measure, this program is delivering enormous benefits to our country and the children who will be its future.

The overwhelming success of Head Start, however, belongs to the communities that support it. Head Start depends on the dedication of more than a million volunteers—most of whom are the parents of Head Start children—who devote hours of their time to the program. Their work is crucial at a time when more than 6 million American children, or nearly 15 percent of all kids in the United States, live in poverty. When data was last reported in 2019, it revealed that 59,000 families participating in Head Start had been experiencing homelessness. Thanks in part to Head Start's services, however, more than a quarter of these families were able to find housing that same year.

From expanding programs like the Children's Health Insurance Program to implementing the Child Tax Credit to help families weather the COVID-19 pandemic, House Democrats continue to take action aimed at eradicating child poverty in our country. Head Start will remain one of our greatest tools to combat child poverty in the years ahead, and we must continue to ensure that it has the support and resources it needs to carry that work forward. As President Johnson said when he created Head Start: 'five- and six-year-old children are inheritors of poverty's curse and not its creators.' These children today can help us build a better and stronger America for tomorrow, but only if we invest in their growth, wellbeing, and opportunity.

RECOGNIZING THE 57TH
ANNIVERSARY OF HEAD START

HON. BRIAN K. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. FITZPATRICK. Madam Speaker, I rise today to recognize the 57th anniversary of the Head Start program and the invaluable services it makes available to children and families in need.

In 1965, President Lyndon Johnson commissioned Sargent Shriver with the establishment of a comprehensive child development program that would assist underserved communities meet the needs of preschool children. With the help of education, psychology, and child experts, the U.S. government initially launched "Project Head Start" as an eight-week summer program that reached 561,000 children. Finding early success, the program was expanded in the fall of 1965 to provide services throughout the entire school year. In the subsequent decades, Head Start has further grown to include bilingual and bicultural programs, as well as services for disadvantaged infants, toddlers, and pregnant women through Early Head Start grants.

The initiative has now reached over 39 million children in its history and serves nearly 1 million children and their families annually in urban and rural areas in all fifty states, the District of Columbia, Puerto Rico, and the U.S. territories. Head Start's exceptional dedication to our children is admirable, and this year, as it celebrates its 57th anniversary, we express our appreciation for the impact that it has had on communities across the country and especially in Bucks and Montgomery counties.

HONORING THE LIFE AND SERVICE
OF SENATOR HIRAM RHODES
REVELS

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor the life and service of Senator Hiram Rhodes Revels.

Senator Revels was the first Black person to serve in the United States Senate, and he was the first pastor of Zion Chapel African Methodist Episcopal Church in Natchez.

Senator Revels was born a free man in Fayetteville, North Carolina on September 27, 1827. In 1845, Senator Revels was ordained a minister in the African Methodist Episcopal Church after attending the Beech Grove Quaker Seminary in Indiana and Darke Seminary for Blacks in Ohio. At the beginning of the Civil War, Senator Revels established two Colored Troop regiments from Maryland, and in 1862, he served as Chaplain for a U.S. Colored Troop regiment in Vicksburg, MS and Natchez, MS. In 1863 Senator Revels established a Freedman's school in St. Louis, MO. In 1866 after serving churches in Louisville, KY and New Orleans, LA, Senator Revels settled in Natchez, MS where he became pastor of Zion Chapel African Methodist Episcopal Church. In 1868, Senator Revels' first elected position was as a Natchez Alderman. In 1869, Senator

Revels was elected to the Mississippi Legislature as a Senator. On January 20, 1870, the Mississippi Legislature voted to seat Senator Revels to fill one of two unexpired Mississippi U.S. Senate seats vacated by Senator Albert Brown and Senator Jefferson Davis, who vacated his Senate seat to serve as President of the Confederacy. During Reconstruction, as Mississippi was readmitted to the Union on February 23, 1870, Hiram Rhodes Revels took his seat on February 25, 1870 as the first Black person to serve in the United States Senate and served on the Education and Labor Committee.

At the end of his Senate term on March 3, 1871, Senator Revels chose to return to Mississippi to become the first President of Alcorn State University, formally known as Oakland College. Alcorn is the first landgrant school in the United States for Black students. Alcorn is named for Senator Revels' political supporter, Governor James Alcorn. Briefly, in 1873, Senator Revels was chosen as Mississippi interim Secretary of State after the death of John Roy Lynch. He took a hiatus from Alcorn in 1874 and became the pastor of a church in Holly Springs, MS. In 1876 he returned as President of Alcorn and retired in 1882. Senator Revels returned to the ministry in Holly Springs where he died January 16, 1901.

Madam Speaker, I ask my colleagues to join me in honoring Senator Hiram Rhodes Revels.

REMEMBERING RUTH MARIE
GRANT

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. SWALWELL. Madam Speaker, I rise today, along with Congressman MIKE DOYLE, to recognize the life of Ruth Marie Grant who passed away on Saturday, May 14, 2022, after a wonderful and trailblazing 90 years of life.

Ruth Marie O'Block was born on September 2, 1931, in Plum, Pennsylvania and spent her life growing and investing in her community through business and public service. This began after her graduation from Seton Hill University and marriage to Louis A. Grant. True to Pittsburgh style, together they began Louis A. Grant, Inc., a multi-million-dollar international competitor in the steel and aluminum industry. Ruth led the company for 54 years, spearheading women's leadership in an overwhelmingly male-dominated industry.

She also made significant headway in the financial industry, serving as the first female Board Member of People's Bank of Unity and remained active on the Board of S&T Bank following the two institutions' merger.

At her core, Ruth was a champion for public service, and inspiration for tomorrow's leaders. She was constantly seeking ways to improve access to education and serve her community. Her titles were numerous and spanned all levels of government. At the national level, Ruth served on the U.S. Department of Commerce's Committee on International Trade. In Pennsylvania, she served on the Governor's Education Committee where she contributed to the formulation of public policy, key personnel selections and decisions to reduce costs while enhancing the Commonwealth's

education services. And in Plum specifically, she held numerous roles including with the Plum Water Authority, Plum Planning and Zoning commission and the Plum Library Board.

Ruth also left an indelible mark at Seton Hill University, where she served as a trustee for a total of 22 years and was the immediate past chair of the Board of Trustees.

We believe Ruth would agree, that despite a lifetime of service, her most important titles were mother and "Granna." Ruth is pre-deceased by her husband Louis, but survived by her four children: Toni Grant Verstandig (Lee), Cindy Grant Pallatino, Ruth Ann Grant Wargofchik and Louis A. Grant, Jr., and seven grandchildren: John R. Wargofchik III, Andrew Wargofchik, Brady Wargofchik, Grant Verstandig, Brittany Grant, Louis Grant and Gaetano Grant.

May her legacy serve as an inspiration to new generations of public servants and entrepreneurs; and her memory serve as a blessing to her family.

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 18, 2022

Mr. KRISHNAMOORTHY. Madam Speaker, today I rise in recognition of the National Roofing Contractors Association and its efforts to promote the roofing industry and the work of its members through the designation of June 5–11, 2022, as National Roofing Week.

A roof is one of the most critical parts of any home or business. It serves as the first line of defense against natural elements, such as rain, snow, or wind, and yet it is often taken for granted until it falls into disrepair. National Roofing Week is meant to honor the thousands of roofing-related businesses and workers across the country, as well as the industry's commitment to public service. National Roofing Week is a valuable reminder of quality roofing's significance for every home and business across the U.S.

Established in 1886 and headquartered in Rosemont, Illinois, NRCA is one of the oldest trade associations and the voice of professional roofing contractors worldwide. NRCA has nearly 4,000 roofing company members who represent the entire roofing supply chain. NRCA uses its vast network of roofing contractors and industry-related members for the installation of new construction and replacement roof systems on commercial and residential structures throughout America. Most of its members are small, privately-held businesses that provide family-sustaining jobs for thousands of hardworking individuals that make up the backbone of our Nation's economy.

Professional roofing contractors provide vital services to their communities, on and off the clock. NRCA members will recognize National Roofing Week June 5–11 by supporting numerous charitable projects, employee training programs, and other activities across the nation. I commend NRCA and the vital role the organization and its members play in every community, and I ask my colleagues to join me in acknowledging their contributions during National Roofing Week.
